

You've got a friend

When you're down and troubled and you need a helping hand
And nothing, whoa nothing is going right
Close your eyes and think of me and soon I will be there
To brighten up even the darkest night
You just call out my name, and you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall all you've got to do is call
And I'll be there yeah yeah yeahyou've got a friend

If the sky above you should turn dark and full of clouds
And that old north wind should begin to blow
Keep your head together and call my name out loud now
Soon I'll be knocking upon your door
You just call out my name, and you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall all you've got to do is call
And I'll be there yeah yeah yeah

Hey ain't it good to know that you've got a friend when people can be so cold?
They'll hurt you and desert you well they'll take your soul if you let them
but don't you let them
You just call out my name, and you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall, hey now all you've got to do is call
And I'll be there yeah yeah yeahyou've got a friend

Lord, I'll be there, yes I will Lord you've got a friend
You've got a friend yeah
Ain't it good to know you've got a friend
Ain't it good to know you've got a friend
Oh yeah yeah, you've got a friend
