

## WINTER NIGHTS

When the winter nights grow long  
And the stars are shining bright  
I will rock you in my arms  
And hold you through the night

When the winter nights grow dark  
And the fire is burning bright  
I will rock you in my arms  
Until the morning light

And my arms will keep you safe.....  
And the fire will keep you warm  
And the song inside your soul.....  
Give's you shelter from the storm.
