

SOMEWHERE OUT THERE

SOPRANOS ONLY:

Somewhere out there beneath the pale moonlight
Someone's thinking of me and loving me tonight

ALL:

Somewhere out there someone's saying a prayer
That we'll find one another in that big somewhere out there

TENORS ONLY:

And even though I know how very far apart we are
It helps to think we might be wishing on the same bright star

ALTOS ONLY:

And when the night wind starts to sing a lonesome lullaby

ALL:

It helps to think we're sleeping underneath the same big sky
Somewhere out there, if love can see us through
Then we'll be together somewhere out there
Out where dreams come true

TENORS ONLY:

And even though I know how very far apart we are
It helps to think we might be wishing on the same bright star

ALTOS ONLY:

And when the night wind starts to sing a lonesome lullaby

ALL:

It helps to think we're sleeping underneath the same big sky
Somewhere out there, if love can see us through
Then we'll be together somewhere out there
Out where dreams come true
