A MILLON DREAMS – THE GREATEST SHOWMAN

High voices only:
I close my eyes and I can see
The world that's waiting up for me
That I call my own
Through the dark, through the door
Through where no one's been before
But it feels like home

ALL:
They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, so call me crazy
We can live in a world that we design

CHORUS ALL:
'Cause every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh a million dreams for the world we're gonna make

High voices only:
There's a house we can build
Every room inside is filled
With things from far away

Middle voices only:
Special things I compile
Each one there to make you smile

High and middle harmony:
On a rainy day

Low voices only:
They can say, they can say it all sounds crazy
They can say, they can say we've lost our minds
I don't care, I don't care if they call us crazy

ALL: Run away to a world that we design

CHORUS ALL:
Every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh a million dreams for the world we're gonna make

Middle voices only:
However big, however small
Let me be part of it all
Share your dreams with me

High voices only:
You may be right, you may be wrong
But say that you'll bring me along
To the world you see

ALL: To the world I close my eyes to see
I close my eyes to see

CHORUS:
Every night I lie in bed
The brightest colours fill my head
Middle and low voices only: A million dreams are keeping me awake
High voices only: A million dreams, a million dreams!

ALL:
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh a million dreams for the world we're gonna make

For the world we're gonna make
