

GREASE MEDLEY

All: (*Stagger breathing!*)

Grease is the word, is the word, is the word, is the word
Is the word, is the word, is the word

I saw my problems and I see the light
We got a /lovin' thing, we gotta feed it right
There ain't no danger we can go too far
We start believing now that we can be what we are
Grease is the word

Low singers: Italics = middle and high singers' harmonies

They think our love is just a *growing pain*
Why don't they/ *understand*, it's just a crying shame
Their lips are lying only real is real
We stop to find right now, we got to be what we feel
Grease is the word

**M/H singers: Ahhhhh
Be what we feel!**

Grease is the word, is the word that you heard

It's got groove it's got meaning
