

Lean On Me

Hum, hum hum hum hum
Hum hum hum hum
Hum hum hum hummm hummm
Hum, hum hum hum hum
Hum hum hum hum
Hum hum hum hummm hummm

Middle and low singers:

Sometimes in our lives
We all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow

ALL:

Lean on me!
When you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on

High singers:

Please
Swallow your pride
If I have things

Middle and low singers:

Please!
Pride!

ALL:

You need to borrow
For no one can fill
Those of your needs

High singers only:

That you won't let show
Call on me brother
When you need a hand
We all need somebody to lean on
Might have a problem that you'll understand

Middle and low singers:

Just lean on me
Hey!
You need a hand
Just might have a problem

ALL:

We all need somebody to lean on!

Middle and low singers only:

If

There is a load

You have to bear

That you can't carry

I'm

Right up the road

High singers:

If!

There's a load

You have to bear

Carry

Right up the road

Ooh

ALL:

I'll share your load

If you just call me

Call me, Call me, Call me, Call me

Call me, Call me, Call me, Call me
