

BUILD ME UP, BUTTERCUP

CHORUS: (Bold = all, M/L = Middle and low singers)

Why do you build me up (M/L: build me up) **buttercup, baby**
Just to let me down (M/L: let me down) **and mess me around?**
And then worst of all (M/L: worst of all) **you never call, baby**
When you say you will (say you will) **but I love you still**
I need you (I need you) **more than anyone, darlin'**
You know that I have from the start
So build me up (build me up) **buttercup, don't break my heart**

Middle singers only:

"I'll be over at ten," you tell me time and again
But you're late, I wait around and then
(High singers: bah dah dah!)
I run to the door, I can't take any more
It's not you, you let me down again
(Middle and low singers: Hey, hey, hey!)

High singers:

Baby, baby, try to find
(M/L: Hey, hey, hey) a little time and I'll make you happy
All: I'll be home
I'll be beside the phone waiting for you
Ooh ooh ooh, ooh ooh ooh

CHORUS

Low singers only:

To you I'm a toy but I could be the boy you adore
If you'd just let me know
(High singers: bah dah dah!)
And though you're untrue, I'm attracted to you all the more
Why do I need you so?
(Middle and low singers: Hey, hey, hey!)

High singers:

Baby, baby, try to find

(M/L: Hey, hey, hey) a little time and I'll make you happy

All: I'll be home

I'll be beside the phone waiting for you
