

## Come What May - Moulin Rouge

### Unison until italics:

Never knew I could feel like this,  
Like I've never seen the sky before,  
Want to vanish inside your kiss,  
Ev'ry day I love you more and more.

Listen to my heart, can you hear it sing?  
Telling me to give you *ev'rything*,  
*Seasons may change, winter to spring (Low part 3s only: to spring)*  
*But I love you until the end of time*

### Chorus:

Come what may  
*Come what may*  
*I will love you until my dying day*

### 3s:

Suddenly the world seems such a perfect place,

### 1s and 2s only:

Suddenly it moves with such a perfect grace,

### All:

Suddenly my life doesn't seem such a waste,  
It all revolves around you.

And there's no mountain too high,  
No river too wide,  
Sing out this song and I'll be there by your side,

### 3s only:

Storm clouds may gather and stars may collide (All: ah!)

### 3s only:

But I love you... Until the end of time      1s and 2s: I love you till  
the end of time

## Repeat chorus

Oh come what may, come what may, I will love you

**(3s only: will love you)**

Suddenly the world seems such a perfect place

Come what may, come what may, come what may, come what may

I will love you, until my dying day!

Come what may!
