

LONESOME ROAD

1s and 2s only:

Look down, look down that lonesome road
Before you travel on
Look up, (*3s: look up*), look up, (*3s: look up*)
ALL: and meet your maker
Before old Gabriel blows his horn
Look up!

Weary, totin' such a heavy load,
Trudgin' down that lonesome road

1s and 2s only:

Look down, look down that lonesome road
Before you travel on
True love (*3s: true love*), true love (*3s: true love*)
ALL: what have I done
That you should treat me so?
I don't know

Weary, totin' such a heavy load,
Trudgin' down that lonesome road

1s and 2s only:

Look down, look down that lonesome road
Before you travel on
Look up, (*3s: look up*), look up, (*3s: look up*)
ALL: and meet your maker
Before old Gabriel blows his horn
Look up! Look up!
