

WHAT WOULD I DO WITHOUT MY MUSIC?

ALL: Ooh-oooh

1s/HIGH PART ONLY:

Sometimes I stumble home at night discouraged,
Draggin' my battered dreams behind,
Wondrin' if the battle's worth the fighting

ALL OTHERS: Ah

1s and 2s:

And why so many people's eyes are blind

3s: People's eyes are blind

1s and 2s:

But as I disappear into my music,
And the song grows deep inside my soul

ALL:

I know if God wants me to use it,
the strivin' s more important than the goal, and I think ...

What would I do without my music,

What would I do without my song?

What would I do without my music

1s/HIGH PART ONLY:

To make it right when everything seems wrong?

ALL OTHERS: Ah, ooh

1s/HIGH PART ONLY:

And as I lose my worries in my music,
Dreams start rebuilding strong and high.
And I know though I may not be winning,

ALL OTHERS: Ooh, ah

1s and 2s:

I'm a long long way from losing if I try

3s: Not a long, long way if I try

ALL:

And I think ...

What would I do without my music

What would I do without my song?

What would I do without my music

1s/HIGH PART ONLY:

To lift me up when all my dreams are gone?

ALL:

To give me hope

So I can carry on!

Ooh
