

That's What I'd Like For Christmas - from the musical "Pickwick"

Turkeys bigger than I am
Snowflakes made of lace
That's what I'd like for Christmas - Merry Christmas!
Silk and satin from Siam
Soft upon my face
That's what I'd like for Christmas - Merry Christmas!

Lots and lots of lovely presents
For all my fav'rite friends
Roasted goose and roasted pheasants
With cranberry, an'very sad when it ends

Boxes full of the best nuts
Chestnuts in the fire
That's my desire for Christmas
Jingling bells and mingling smells
Of toffee and coffee and caramels
Seasonal greetings and no farewells
That's what I'd like for Christmas!

Turkeys bigger than I am
Snowflakes made of lace
That's what I'd like for Christmas - Merry Christmas!
Silk and satin from Siam
Soft upon my face
That's what I'd like for Christmas - Merry Christmas!

Boxes full of the best nuts
Chestnuts in the fire
That's my desire for Christmas
Jingling bells and mingling smells
Of toffee and coffee and caramels
Seasonal greetings and no farewells
That's what I'd like for Christmas time
To hear ev'ry church bell gaily chime
Peace and goodwill, all the world in rhyme
That's what I'd like for Christmas!
